

Applicants believe that the Examiner will find all of the alleged inventions during his search. Applicants believe that the Examiner will not experience an undue burden in examining the alleged inventions and thus must search both.

In the event that the Examiner disagrees with Applicants' position, Applicants elect Group I, which covers Claims 13, 15-18 and 24.

Should the Examiner have any additional questions or comments, he should not hesitate to contact the undersigned at (248) 641-1600.

Respectfully submitted,

By:
